PARENT TEACHER ASSOCIATION (PTA)

An association of parents and teachers has been organised on 19/08/1979 with a view to improve the discipline, progress and the successful functioning of the college and to bring in complete liaison with teachers and the taught and the parents and guardians. All guardians and teachers will be members of the Association. The Principal of the college is the President and Dr.Sushama Raj R.V (Dept. of Botany) is the PTA Secretary and Mr.Vishnu P.S. (Dept. of Economics) is the Treasurer. An executive committee is elected from the General Body of teachers and guardians comprising of 4 teachers and 4 parents.

Each Department convenes class-wise parent-teacher meetings twice a year to exchange views on students' performances, their weaknesses and strengths. Such meetings improve the general performance of the Departments and the college. The PTA is very active in the college. It attempts to earnestly resolve the short comings of the institution. The PTA executive periodically meets to assess its function, and proposes the developmental activities to be carried out in the campus. Annual general body meetings are held in March every year, and the executive body is also elected as per the rules. Cash awards

are given to the students who pass the final year B.A. /B.Sc. / B.Com./ P.G. examination from the college securing the highest marks in each of the main subjects of study, who excel in Sports and Arts by the PTA.

DEPARTMENTS AND PROGRAMMES FACULTY OF ARTS

DEPARTMENT OF ENGLISH

The Department of English has been an essential part of the college since it was established in 1964. With the introduction of the BA English course in 1967, it became a full-fledged department and the establishment of the MA English Course in 1998-99 gave it the status of a principal department. The Department is blessed with a vibrant group of enterprising teachers and dedicated students. There is a well-equipped language lab that ameliorates the communicative skills of our students.

Vision

The vision of the Department of English is to empower our young minds to look out on the competitive world through English Language Learning. The Department strengthens the education of students, through constantly updated language and literature courses. The PG Department of English provides appropriate pedagogy, which improves the language skills of students and helps them to acquire communicative competence. The overall vision of the Department is to develop the Department as a centre for academic excellence through teaching, learning and research.

Mission

1. To help students cherish English Literature through e-teaching, offline teaching, webinars, debates on topics covered in the syllabus.
2. To provide learning and research opportunities in the following thrust Areas: Interdisciplinary Studies, New literatures in English, Media Studies, Women's Writing, Modern and Postmodern Literatures, Cultural Studies, Gender Studies, Translation Studies, Film Studies etc

3. To enhance their ability to improve social responsibility and professional commitment
4. To emerge as a centre of excellence in Language and literature studies
5. To provide students the skill to master entrance exams for further studies in India and abroad
6. To train students at all levels with a foundation for appropriate career goals in the competitive job market industry.

Achievements

The introduction of the MA English language and literature course was introduced in 1998-99. It has produced a number of NET holders Fanny SM of 2015 grabbed first rank in the Kerala University BA Examinations.

DEPARTMENT OF PHYSICS

Vision

To develop students as indoctrinated individuals who are adeptly outfitted to tackle challenges faced by humanity and to create susceptibility that makes them instrumental in the positive evolution of society by virtue of their mastery in Physics.

Mission

- To awaken the young minds to instigate their talents both in theoretical and practical physics through dedicated faculty employing an innovative modus operandi.
- To provide the students with excellent proficiency in the field of physics through our normal courses as well as elective courses to furnish them with a high degree of competence in their respective careers.

- Proffer an educational experience in an interactive and stimulating learning environment using premier teaching practices.
- Strive to equip students in the field of energy physics by offering an open course to students of all other streams.
- To mould the students into the vanguard of thriving innovation.
- To arm the students to face future scholastic challenges by virtue of deep rooted conceptual understanding.
- To evolve sensitivity among students, driving them to contribute to the furtherance of society owing to their expertise in Physics.
- To support the overall flourishings of the college in all spheres

History

The Department of Physics was instituted in 1967 with Prof. S. Nelakanta Iyer as the founding Head (1967 - 71). The department was initially established with an undergraduate main programme and two subsidiaries. The Department has a research laboratory in the field of material science for the last 6 years, equipped with modern, advanced and sophisticated instruments. The department boasts of having one of the highest number of PhD holders and research guides who are constantly shepherding research scholars for the PhD programme under the University of Kerala. Our highly distinguished faculty are always focused to provide nonpareil quality education which has resulted in an assured rank every year for the University since 1967. An endowment in honour of Prof. K. Narayana Kurup (HOD, 1971 - 82) is awarded to the topper of BSc Physics every year. Alumni of our department occupy prestigious positions around the world.

Achievements

Three projects have been successfully completed, One funded by the UGC, One by the Science and Engineering Research Board (SERB) and the Department of Science and Technology (DST) and One by the Kerala State Council for Science Technology and Environment (KSCSTE), Govt of Kerala. A high number of international publications emerge from

the faculty every year. One of our faculty Dr. Deepa V. was the Co-investigator in the project titled A multi-wavelength integrating Nephelometer for characterizing tropospheric aerosols in collaborating with NIT, Kozhikode. This project was supported by Kerala State Council for Science, Technology and Environment and the designed technology was transferred for commercialization
