STUDENT SUPPORT PROGRAMMES

TUTORIAL SYSTEM

A well-organized tutorial system is run in the College which aims at extending individual attention to every student. Last hour of the 20th of every calendar month or the day before working day will be the tutorial hour. A group tutor looks after the affairs of the students of a class. A healthy rapport is expected to be built between each student of the group and the tutor. This may lead to imparting proper guidance to the needy. Group tutors give counselling individually and monitors the academic performance of each student and evaluate his/her skills regularly. Through this system, the overall performance of each student is closely monitored and intimated to the parents.
