NATIONAL SERVICE SCHEME (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports, Govt. of India, is a voluntary association of young people in Colleges, Universities and at +2 level which was launched in Gandhiji's Centenary year, 1969 with a view to develop students personality through community service. Two units of the National Service Scheme have been functioning in our college since 1972. The sanctioned strength of volunteers is 200 and the membership is open to both boys and girls. After successful completion of two years of service under the scheme, a volunteer is entitled a certificate issued by the Vice Chancellor, University of Kerala. The certificate enables the volunteer weightage for competitive examinations and in admission to higher studies. They are also eligible for grace marks (2% of III and IV semester total marks, which could be added to any of the respective semester papers).

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear the badge while undertaking any programme of community service. NSS is 'NOT ME BUT YOU.' This reflects the essence of democratic living and upholds the need for selfless service. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. NSS volunteers demonstrate this motto by keeping our campus Plastic Free since 2014-15. Our college has won the following awards from University of Kerala. Best

NSS Unit for the College. Best programme officer (Ms. Akhila Sree).
Best volunteer (Aparna Krishnan J. R., B com.)

SCHOLAR SUPPORT PROGRAMME (SSP)

The Scholar Support Programme aims at imparting personalized additional support to the needy through tutorials, study materials, additional lectures, question banks and interactive sessions, formation of quality circles in the colleges for the programme, dissemination of classes through Personal and Web based modes etc. The Directorate of Collegiate Education is implementing the Programme. Funds are allotted to colleges for the implementation of the programme for 50 selected students of the college from every year. The students have to be made aware of the program and applications invited from them and selection done by the college. The candidates selected under the program will be from the first, second and third year of the undergraduate programme. Students who have less than 60% aggregate marks in the qualifying examination and who need some additional support in identified subjects are included in the programme. If it is not possible to identify such students, the students having the lowest percentage of marks in the qualifying examination from the applicants will be selected. Classes are engaged by the faculty of the College itself. The Programme has a college level co-ordinator. The College Council functions as a Monitoring Committee

for the Programme and meets once in two months at least to evaluate the progress of the Programme.

CLUBS AND FORUMS

Academics is seen as the prime focus of an institution, but at VTM NSS College everything is taken a step further as the range of co-curricular activities undertaken ensures that students are provided with an atmosphere that is truly holistic. In order to develop a sense of responsibility and provide a wider scope of development, a number of clubs are offered. Students can choose the ones they are most attuned to and the activities undertaken go a long way towards developing their personalities. The General Co-ordinator of Club Activities in the college is **Dr. SUPRABHA S.** from the Department of Chemistry.

DEBATE CLUB

This helps students excel in the art of rhetoric, in putting across their points forcefully and in convincing others of the strength of their arguments. It prepares students by regularly conducting debates on a range of current topics and also trains them in the art of the effective use of words and body language.

RESEARCH FACILITY

Department of Physics

The department of Physics provides high end research facilities to research scholars and MSc students for the execution of their project work in various fields of scientific relevance. Our trust areas include recent research fields of materials science and study of aerosol properties. A material research laboratory was established with a grant in aid received from financial aid from Science & Engineering Research Board (SERB), Department of Science and Technology, Ministry of Science and Technology, Government of India under the scheme Fast Track Scheme for Young Scientists (SR/FTP/PS-070/2010). The laboratory processes advanced instruments for synthesis and processing of materials suited for photoluminescence and dielectric application.

The details of the facility are given below.

- (1) Precision Weighing balance- ensuring stoichiometric weight of raw materials
- (2) High temperature Electric Furnace Calcination and sintering studies (1500 °C)
- (3) Rotary ball mill – for grinding and mixing the raw materials.
- (4) Fume cupboard- for nanoparticle synthesis through selfpropagation solution combustion technique.
- (5) Hydraulic hand press- for compacting the powders to desired shape before sintering and other associated facilities required for synthesis.

Department of Physics, VTM NSS College is equipped with High Sensitivity Spectrometer, Laser Driven Light Source (LDLS) and optical filters of various frequency range which are purchased under the KSCSTE SRS project. These instruments can be used to observe optical properties of aerosols.

SPORTS FACILITY

Department of Physical Education provides ample opportunity for the students to participate in sports and games. Select disciplines are prioritised to obtain the best performance in the University level competitions. Coaching camps are held prior to the participation in the University and Intercollegiate tournaments. In order to meet the fitness requirements and recreation of students, facilities such as gymnasium, play fields and various equipment are made available to them.

Sports quota seats are also reserved for the outstanding sports persons as prescribed by the University, for both undergraduate and post graduate courses. Presently three seats are reserved in both Humanities and Commerce. For Science courses, one seat is reserved for sports. As for PG courses are concerned, one seat is reserved for all programmes.

Grace marks are awarded to those securing positions in various competitions. The percentage of grace marks varies from 2% to 25% based on the achievements at various levels of competitions.
